## Introducing the Gore-Max 1.25

M&D Mechanical Contractors has purchased a Gore-Max 1.25, a gore locker fitting machine that will give M&D Mechanical the capability to make standing seam fittings in-house. The machine will increase the efficiency of making elbows, reducers, end caps, and off-sets. Watch as two M&D Mechanical employees demonstrate the new [Gore-Max 1.25](#). Learn more about [M&D Mechanical's facility and equipment](#).

## Pharmaceutical Company Presents Challenge for M&D

M&D Mechanical recently completed a particular challenging project for a pharmaceutical company that had to be completed with minimal downtime for the facility. The project consisted of the construction of a building

expansion that now houses a new 500 ton chiller, a designated 700 ton cooling tower, and a number of specialized pumps that allow for better efficiency and future capabilities of the facility's chilled water system. [See the project details and photos.](#)

## M&D Congratulates New Apprentice Class

Six M&D Mechanical Contractors employees enrolled in the apprenticeship program this fall:

- Jeremy Burns - Welding
- Chase Diaz - Welding
- Daniel Burgess - Welding
- Jon Dawson - Welding
- Gustavo Sanchez - Pipe Fitter
- Keith Frazee - Sheet Metal

These employees will go through a rigorous training program offered by the [North Alabama Craft Training Foundation](#). M&D Mechanical congratulates these employees and will be supporting them as they go through the program.

M&D Participates in Annual MCEDA Golf Tournament

*Pictured on the left is Johnny Shelton, BIM Manager for M&D Mechanical Contractors. Photo courtesy of MCEDA.*

M&D Mechanical Contractors employees Johnny Shelton and John Barnard recently represented the company in the 2014 MCEDA Golf Tournament. Hosted by the Morgan County Economic Development Association (MCEDA), this annual event gave Johnny and John an opportunity to show off their golf skills while enjoying time with others from the business community in Decatur.
